Hamilton K. Redway Family Papers, 1825-1916

The Hamilton K. Redway Collection includes correspondence, a diary, legal documents, financial documents, and printed material relating to Redway's activities in the Union army. He served as a corporal in Company K, 24th Regiment of the New York Volunteers (1862-1863), as lieutenant and later captain of Company F, 1st New York Volunteer Veterans Cavalry (1863-1865), and as second lieutenant in Company D, U.S. Colored Cavalry (1866) (Redway was White). A number of ordnance lists and muster rolls are included in the collection, as well as several captured orders from Confederate General James Longstreet's command (1862). Correspondence, legal documents, financial documents, and printed material pertaining to Redway's wife, Lorette, are also included. The records are divided by type into military records and person papers. They span the years 1825-1916, but the bulk of the materials are from 1861-1886.
