¹ The information contained on this list is based on best available information; to determine whether a country has a merger control law with a notification obligation, local counsel should be consulted rather than relying on this list.

ND comments

Argentina -- certain types of transactions may be notified post closing at the option of the merging parties.

Indonesia -- post effective effective March 2000.

Kyrgyz -- under consideration as of 1995

Philippines -- bill under consideration but unclear whether it includes a notification system.

Thailand -- no mandatory filing requirement.

Indonesia will be effective March 2000

Malaysia -- not sure if it will be pre or post

Austria -- post abolished as of 1/2000

Added Macedonia and Japan as post

Spain is post
